Precourse Governmental Budgeting Student Survey

Although this is an ungraded assignment, please complete the following survey as comprehensively as possible.

1. What courses in public administration or related fields have you already taken?

2. What public agency internship or employment experience have you had? (Identify the agency and job title, and briefly describe the job responsibilities.)

3. What other internships or employment have you had?

4. List the governmental budgets with which you have come in contact.

8. Briefly describe at least three common approaches to developing governmental budgets.

9. Briefly describe ways a governmental budget may be modified once adopted?
